ADDITIONAL INFORMATION

// Language

The main language in the residence is English.

// Visa

If the artist comes from a non-European country, he/she has to go through the process of obtaining a German Visa valid throughout the time of residence. We offer our collaboration by writing a letter of admission. For general information about mobility check touring-artists.info

// Expenses

The artist must take responsibility to pay individually for the costs of the studio prices and insurance, transport and travel expenses. Normally the artist will look for a grant in his/her country to finance all the costs, although GlogauAir will do everything possible to facilitate the search for financial Aid, i.e. sending a non binding letter of invitation that endorses the decision of the artist. On the other hand, GlogauAir is constantly looking for sponsor entities to bring granted artists and pay for activities of the residents. If you're looking for funding, you can find a selection of funding programs [here](#) and in these websites:

<http://on-the-move.org>

<http://www.artslant.com>

<http://www.asef.org>

// Deadlines

The artists will have to present the finished documentation within the period established by GlogauAIR; these dates will be announced on our website.

// Jury

A jury formed of professionals from the Berlin art community will choose the admitted artists and the decision will be communicated by e-mail only to the selected artists one month after the application deadline. Even if you are not selected in the first round, we may contact you if there is any vacancy during your preferred residency period.

RESIDENCY

AIR

GlogauAIR offers the use of a studio space in a superb location in Berlin and a unique experience taking part in the residency program. A base in Berlin to be able to visit the city and its thousand cultural venues and a place where other artists are living a similar experience in an atmosphere of friendship and collaboration.

Studios

There are 10 studios between 22-33 square meters distributed in 2 floors. Each floor has shared kitchen, shower, WC and WIFI, basic expenses (maintenance, gas, electricity, and internet) are included. The kitchens are fully equipped and the studios have a double sofa bed with bed linen, table, chairs, desk lamp / bed lamp, wardrobe and shelves. We can provide extra furniture if available or, if you have visitors, an extra mattress and bedding. There is also a charming garden and a backyard for common use.

Open Studios exhibition

Resident artists are required to participate in GlogauAIR's Open Studios exhibition, which offers the residents direct contact to the local artistic scene and a dialog with the public. In occasion of the **Open Studios** exhibition, GlogauAIR will edit a catalog with information and photos of every resident artist, as well as a flyer and press release. GlogauAIR also takes care of the communication of the event (website, facebook, mailing)

Other Activities

Resident artists are also invited to take part on the different activities and collaboration projects organized in or by GlogauAIR, including a welcome lunch to get to know the other resident artists, artists talks, studio visits and interchange programs with other residences and institutions. The artist will be included in the database of resident artists accessible on our homepage.

Assistance

We will be offering assistance, advice and attending basic technical demands Monday-Friday during the office opening times.

GlogauAIR will also provide access to all the equipment and tools available in the residence, to use for one week, extendible if no other artist demands it: Multimedia: 4 beamers, 6 CRT TVs, 4 TFT screens, 6 DVD players, 2 media players, sound mixer and speakers. Tools: Hammers, screwdrivers, pliers, etc, saws, wrenches, hand and vertical drill, miter and grinder saw, sander, white wall painting, rollers. Lighting: Flood lights (Halogen and Metal Halide), fluorescent tubes, spot and snoot lamps

House keeping

Although we do our best to help, residency artists have the duty to keep the common spaces (bathroom and kitchen) clean and tidy. And also artists have to clean their bedrooms and studios before they leave. When you arrive you will find your studio clean and everything ready to work, you will have to leave it in the same conditions.
